RICHARD G. (DICK) MARQUARDT
STATE INSURANCE COMMISSIONER

DAVID H. RODGERS
CHIEF DEPUTY

STATE OF WASHINGTON

OFFICE OF
INSURANCE COMMISSIONER

REPLY TO:
OLYMPIA OFFICE
INSURANCE BUILDING
OLYMPIA, WASHINGTON 98504-0321
753-7300, AREA CODE 206

Dear Readers of this Report:

It is a pleasure to present the Ninety-sixth Annual Report of the Washington State Insurance Commissioner. This document covers official transactions and significant developments in the business of insurance for the period of January 1, 1989, through December 31, 1989. I feel this report can be a very useful tool in gaining a better understanding of the regulation of the insurance industry.

The bulk of the activities and transactions overseen by the Insurance Commissioner's Office for 1989 are outlined in the tables and recapitulations on pages 1 through 316.

A large portion of this report is compiled from a computerized data base and record keeping system provided through the National Association of Insurance Commissioners (NAIC) office. The publication of this data should not be construed as a confirmation by this office of the accuracy of any given figure.

Sincerely,

Dick Marquardt
Insurance Commissioner

CONSUMER PROTECTION DIVISION REPORT FOR 1989

The Consumer Protection Division assists the public when they have complaints or inquiries about insurance company practices, including claims problems. This division also handles the legal proceedings within the department.

In 1989, the claims deputies handled 8,161 files which were of sufficient importance to enter in the computer system. This compares to 7,506 in 1988, 7,790 in 1987, and 6,316 in 1985. The 1989 breakdown is as follows:

CLAIMS ACTIVITIES	TOTAL	% OF ALL ITEMS
Auto - First Party Claims	2,218	27.17%
Auto - 3rd Party Claims	889	10.89%
Property & Casualty (not auto)	1,036	12.69%
Life & Annuities	874	10.71%
Health (incl. dental, medicare, etc.)	2,640	32.35%
Title & Miscellaneous	395	4.84%

REASONS GIVEN FOR COMPLAINTS	TOTAL	% OF ALL ITEMS
Marketing/Sales Conduct	1,266	15.51%
Claims Handling Conduct	3,922	48.06%
Discrimination	10	.12%
Miscellaneous	1,688	20.68%
Items NOT Complaints	1,275	15.62%

The department handled 1,276 Services of Process against foreign and alien insurers and licensees, of which 152 were improper services requiring extra work. This compares to 1,395 in 1988, of which 139 were improper; 1,444 in 1987; 1,641 in 1986; 1,414 in 1985, and 1,163 in 1983.

The Investigations Section opened 914 files on new matters and closed 1,059, leaving 294 pending at the close of 1989. It should be noted that one investigation may produce a number of files. For example, the records of 157 agents of one company were reviewed to determine if "return premiums" had been refunded properly to insureds. The result was the recovery of $20,500.66 for insureds of that company and an additional $17,054.06 for insureds of other companies represented by those agents. In that case alone, fifteen agents were fined, 27 letters of reprimand were issued and one agent's license was revoked, and the insurer was required to change its manner of accounting to its insureds and agents.

There were 143 formal disciplinary proceedings commenced against licensees in 1989. Those proceedings included 58 license revocations, denials, or suspensions; 19 cease and desist orders; and 44 fines levied for a total of $34,800. Fourteen orders were rescinded or terminated and 7 matters are pending. Five disciplinary hearings were held.

By comparison, 106 disciplinary proceedings were commenced, 9 disciplinary hearings were held, and fines of $34,900 were levied in 1988. There were 134 proceedings and fines of $33,210 in 1987; 81 proceedings and fines of $23,750 in 1985.

CONSUMER PROTECTION DIVISION REPORT FOR 1989
(Continued)

It should be noted that there were an additional 22 orders on general matters pertaining to insurance companies which were also issued in 1989 and are not included in the above proceedings. Three hearings were held concerning them.

The division participated in several rule-making proceedings involving unfair practices and the up-dating of the Medicare supplemental insurance rules.

Based on measurements made four times during 1989, one week in each quarter, the Consumer Protection Division deputies averaged:

	Per Day	Per Week	For Year
Incoming Calls	608	3,062	157,976
Incoming Letters	130	650	33,800
People in the Office	26	128	6,656
TOTALS	**764**	**3,840**	**198,432**

Prior Years Totals:		
	1988:	201,669
	1987:	190,008
	1985:	154,063

Note 1: This does not measure complaints or inquiries, calls made, or letters written. It measures only incoming calls, letters, and people in the office. One complaint file can produce a number of contacts, such as the original complaint by mail, telephone or in person, followed by responses from agents and insurance company representatives. Moreover, many of the contacts are to obtain information, not to register complaints.

Note 2: Many events produce large numbers of calls to our consumer protection offices, certainly including earthquakes, floods, and windstorms. In the closing weeks of December 1989, the Seattle Office, alone, was averaging 27 calls per day limited to the Mandatory Auto Insurance Law which became effective on January 1, 1990.
